

# SECONDARY

## NEWSLETTER - DECEMBER 2023

### SUPPORTING YOUR CAREERS PROGRAMME

#### **In-school Events to help you achieve your Careers Programme**

With a wealth of teaching and careers experience, all our events are designed to be engaging and provide a unique learning experience. **Just £800/day for up to 150 students or larger groups with additional staffing cost.** In addition, secondary events provide opportunities to work alongside people from industry and focus on those essential key skills.

#### **Working with SATRO**

We will plan your day to ensure that it meets the needs of your cohort. We adapt our timings to meet your day and will work with you to ensure the event works in your setting. We bring all the equipment and materials with us - you provide the venue and the students!

#### **The Gatsby Benchmarks**

Business volunteers supporting the activities provide 'meaningful encounters with employers' (BM5). Local employers help support BM2. Depending on the event and the volunteers; other benchmarks/Provider Access Policy may also be met.

#### **SATRO is an Education Business Partner**

Our aim is to work with schools and businesses to raise the aspirations of young people; get in contact to discuss how we can work together to support your students.

# SATRO CONSTRUCTIONFEST

## THE IMPACT

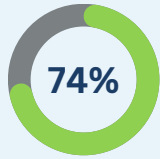

### FACTS & FIGURES

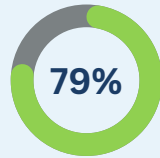

- 15 schools
- 145 students
- 68 volunteers
- 11 company stands
- 3 pathway workshops
- 11 careers speed networking tables

74% of students agreed they are more aware of how to gain employment within the construction industry

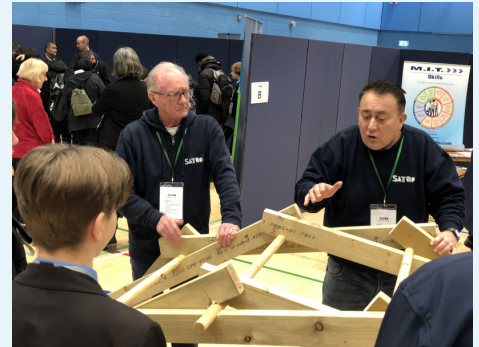

74% of students agreed that Constructionfest introduced them to careers they didn't know about.

79% of students met someone, or took part in activity, that changed their attitude to construction careers.

100% of teachers felt this event was helpful in supporting their students' knowledge of pathways into the construction industry.

“They were all beneficial [the activities] as they provided info about the different roles and pathways in the industry in a fun and engaging way.” **Teacher, Furze Platt Senior School.**

[The bit I enjoyed most] Discussing with people who had very varied experience from vastly different work sectors **Student, Heathermount School.**

# WORK WITH US

## FUNDING

We do have funding for specific projects, for example:

- Ad-hoc employability workshops
- One-off themed events

We also have funding to develop new projects which include pilot sessions on which we seek feedback which we deliver in schools for free.

If you are interested in working with us and would like to have a conversation about what you need for your school and how we might be able to facilitate that, please email.

Jane.Sheridan@SATRO.org.uk to set up a MTeams call.

## FINALLY FOR 2023

A very happy Christmas and New Year, from  
the team at SATRO
