

I work best
when...

I don't like...

I enjoy...

The best thing
that happened to
me was...

My favourite
music is...

I am good at...

I'm not sure
about...

I am happiest
when...

I get worried by...

I am learning to...

I find it difficult
to...

When I'm older I...

I like...

I wish people
would...

My favourite place
is...

I most admire...

I think what my
friends like about
me is...

I get energy
when...
