INSPIRING THE NEXT GENERATION

Teacher from Loseley Fields May 2024

What a fantastic experience had by all!

The children were so engrossed in the challenge and ended the day absolutely buzzing about the experience.

As a teacher it provided a unique opportunity to step back and see how the children dealt with problems that arose but also how they communicated with external visitors. The volunteers were fantastic with the children and supported them effortlessly in their learning throughout the process.

The whole experience was fantastic, and I have already booked for next year!

Curriculum Links	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
